MEMO

We will have dress up days for MAP testing. They are on the back of the newsletter. This is for all elementary grade levels.

MATH

In math we will do some review over skills we have already studied. We will work more with 3-digit addition and subtraction the following week. Fact tests will be a review over subtraction and addition.

READING

Next week we will read A Birthday Basket for Tia. We will be working with final syllables, context clues, and drawing conclusions. We will continue to do skill checks as well.

REMINDER!

Summer school form need to be turned in as soon as possible.
